PROFESSIONAL SUMMARY

Reliable operations and warehouse professional with experience in order fulfillment, inventory tracking, powered equipment, and floor-level troubleshooting in fast-paced environments. Currently completing an Associate's Degree in Computer Programming and seeking a stable role where reliability, technical aptitude, and hands-on problem solving are valued.

PROFESSIONAL EXPERIENCE

Amazon FC - Sioux Falls, SD

Aug 2024 - Mar 2026

Amnesty Floor Monitor

- Certified to work safely inside the robotics floor using SRBRS procedures and equipment.
- Responded to operational issues including pod crashes, spills, and nonfunctioning drives to help reduce downtime.
- Assisted associates with station faults and floor-level technical issues in a high-volume fulfillment environment.

Polaris - Vermillion, SD

Jan 2021 - Jul 2024

Warehouse Associate

- Loaded and unloaded shipments and moved materials efficiently in a warehouse setting.
- Operated order pickers and electric carts to retrieve, stage, and transport inventory.
- Picked, packed, and prepared customer orders for shipment.
- Used RF scanners and inventory counts to support stock accuracy and order fulfillment.

Walmart - Vermillion, SD

Jul 2020 - Jan 2021

CAP 2 Stocker

- Unloaded trucks and stocked merchandise in a fast-paced retail environment.
- Helped maintain organized backroom and sales floor inventory.

Domino's - Mitchell, SD

May 2020 - Jul 2020

Delivery Driver

- Delivered orders accurately and on time while handling customer interactions professionally.
- Supported in-store operations by working ovens and preparing food for delivery.

Corn Palace - Mitchell, SD

2018 - 2019

Decorator

- Assisted with seasonal decoration work, including material preparation and installation.
- Used a scissor lift and performed outdoor field work to gather decorative materials.
